Shipment 1 · box checklist

7 boxes · 24 SKUs · 180 pieces · DEL4 · labelling by Seller

Before you start

1. Print the FNSKU labels at **100% / Actual size**, not "Fit to page".
2. Open one box at a time. Take everything out and sort by product, colour and size.
3. Stick one FNSKU label on each piece, flat on the poly bag. Cover any other barcode.
4. Tick one square per piece. The ticks for each row must equal the Qty.
5. Put everything back, seal, re-weigh, and stick the Amazon box label on top.
